Lee's Summit, Missouri

Kansas City Boat and Sports Show - January 13-16, 2011

The Kansas City chapter of the Missouri Trout Fishermen's Association hosted a booth at the Kansas City Sports show January 13-16 at Bartle Hall in Kansas City. Visitors to the booth were able to watch fly tying demonstrations and speak to members of the club about upcoming activities. MTFA cookbooks were available for sale as well as flies, jigs and raffle tickets for an ORVIS fishing rod. Several visitors to the booth have signed up for membership with MTFA. Please welcome our new members when you see them.

On Saturday afternoon, we had a special treat from Sandy Theroux's son, the clown. He provided entertainment and balloon animals at our booth for the passing crowd, which drew a large crowd of youth and parents that literally stopped traffic in the isles at our booth. Thanks also goes out to all club members that assisted with set up, take down, and manning the booth.

Park, May 14-15, 2011

MTFA January Meeting - Special Guest Speaker Dr. Vern Otte

There was a good turnout for the club meeting on January 25th. Guest speaker, Dr. Vern E. Otte, is a veterinarian from the State Line Animal Hospital in Leawood, KS, who volunteers as a trail veterinarian for the Iditarod Trail Sled Dog Race. The Iditarod is a 1000 mile sled dog race across Alaska. The trail veterinarians are flown in small airplanes to various check points along the trail and are responsible for ensuring that the dogs are well cared for and if injured, are not allowed to continue in the race. Dr. Otte shared a great slide presentation that allowed us to see what life on the trail during the race is like. The Alaskan sled dogs are a high-energy breed. A video clip showed them jumping and yapping as they were eager to get under way for the race. Each of the teams is required to carry a dog book which lists each dogs and vet findings at each of the checkpoints. If a dog is not well enough to continue, the vet can pull the dog from the race. Dog books and dogs are checked several times during the race. Their human counterparts take good care of the dogs, providing a 10,000 calorie a day diet due to all the hard work they do. Our group was impressed by the booties that each of the dogs wear to keep ice from packing in between their toes. Dr. Otte also showed us a pair of the boots that he uses when he is volunteering at the race. Life on the trail for humans is not one of luxury. It varies from basic tent camping to permanent shacks along the trail.

MTFA Officers

President: Kent Inman
(816) 682-4924

V President: Bill Beckman
(913) 341-3260

Secretary: Gary Davisson
(816) 896-5221

Treasurer: Sandy Theroux
(816) 523-5119

Members at Large:

Merrill Miller
Roger Theroux
Diana James

Past President: David Cook

The MTFA Needs Your Help

The MTFA will be teaching a fly fishing course for the Metropolitan Junior College at the Blue River Campus. We are in need of some A-Vises for students to use during the (6) six week course. If you have a fly tying vise that you are not using, and could loan it to the club for our first class. If you do contact one of the club officers, or bring it to one of the club meetings.

(Continued on pg. 5)

Fly Tying Classes

The MTFA fly tying classes are now in session at the Fleming Hall at Lake Jacomo. Instructors are teaching beginning and intermediate levels. Classes meet on Mondays at 7:00 pm on the following nights:

February 14th, 21st & 28th & March 14th.

The charge is \$5 per class period. If you would like to learn a new skill or sharpen an old one, come join us on Monday nights. During the cold winter months is a good time to stock up on favorite fly patterns for use in the summer. The beginners class teaches the basics of fly tying as well as a good variety of entry level flies such as the wooly bugger and

pheasant tail nymph. The intermediate class is for more experienced tyers and includes parachutes and humpies.

Instructors: Daniel McGillihan, David Cook & Merrill Miller

Rod Building Class

MTFA Kansas City chapter will be conducting a fly rod building class. If you have ever been interested in building your own rod, come and join us. Doug Piper will be teaching the class. Fee is \$30 plus the cost of materials you chose for your rod.

The schedule is:

February 16—introduction and ordering materials.

Class will run from March 7, 8, 9, 10 (Mon-Thurs)

MTFA Election of Officers for 2011:

During the January meeting, 2011 Officers were elected. The following officers were presented and elected:

- Kent Inman -President
- Bill Beckman - Vice President
- Gary Davisson - Secretary
- Sandy Theroux Treasurer

Members at Large:

- Merrill Miller
- Roger Theroux
- Diana James

David Cook—Past President

Lunker Dinner

The club's annual **Lunker Dinner** will be held February 22, 2011 at 6:30 pm at Fleming Hall at Lake Jacomo. The meal will be catered and there is a charge of \$12 per person. There will be a raffle following the dinner and the business meeting. Tickets are \$1 or six for \$5. Those that would like to bring a desert, please do.

Sow bug Roundup - A Celebration of Fly Fishing March 17,18 &19, 2011:

The Sow bug Roundup is a fly tying show. It is the foremost gathering of fly tiers in the USA. Every year more than 100 fly tiers from all over North America and Europe meet and tie at the Sow bug Roundup.

**Redeemer Lutheran Church Family Life Center
307 W. North St. Mtn. Home, Arkansas**

Hours 9 to 4 pm: Thursday, Friday, & Saturday

**Demonstrations by 100+ Expert Tiers
Seminars, Tying, and Casting Instruction
Drawings and Auctions**

**Admission: Adults \$5.00 for All 3 Days
Under 12: Free with Parent**

**Note: The first \$3000 of revenue from the Sow bug Roundup is used to fund the [NAFF Scholarships](http://www.naffscholarships.org).
For more information contact: sowbug@northarkansasflyfisher.org**

Fly of the Month - Chili Pepper Fly

Bead: Cyclops bead, brass

Body: Tinsel chenille

Hook: 3 or 4 x streamer hook

Horns: White Goose Biot

Rib: Saddle hackle— brown or ginger

Tail: Burnt orange marabou

Tail Flash: Krystal Flash Copper

Thread: Fluorescent orange

Weight: Lead or Lead Free Wire

Put bead on hook. Place six to eight wraps of lead wire behind the bead. Tie in marabou plume for the tail; add in a few strands of Krystal flash. The tail should be fairly short. Tie in saddle hackle at bend of hook. Tie in the chenille from the base of the lead wire. Wrap the chenille to behind the bead and tie down. Wrap the hackle to behind the bead and tie off. Build up an orange collar behind the bead and whip finish.

MTFA and Metropolitan Junior College “Blue River Campus”

We are excited to have the opportunity to teach a Fly Fishing Class at the college this coming spring. This allows the club to promote fly fishing, the MTFA and earn income for our club. The course will be taught two times a year. We need help teaching fishing knots, casting, fly tying, equipment types and uses, etc. If you would like to contribute your talents in any way, please contact Kent Inman. 816-682-4924, kdinman@yahoo.com

President’s Message:

The club has been very busy with the Sports Show, Club Meetings, Fly Tying, and the launching of a Fly Fishing College that there has not been much time to relax. The Sports Show this year was a great success do to all of the support from the members and their families, also the new location was right in the heart of the show. Our first meeting of the year was hosted by Rainbow Fly Shop, and Dr. Otte our guest speaker was outstanding. Currently we are conducting our winter fly tying at Fleming Hall, and have had a good turn out. The clubs college course on fly fishing is making great progress, and it is planned to have a couple of rehearsals before the kick-off on March 23, 2011. We could still use more club members to share their knowledge of the sport, and to help tweak the curriculum. For those of you that need another rod for your collection, rod building is coming up this month, so come on out and share the fun. Our next big event is the Luncheon Dinner at Fleming Hall on Feb. 22, 2011 at 6:30pm. More information to follow. See you there!
