Fly Tying Classes are now in Progress

The First Fly tying class was held on January 14 at Fleming Hall, 21906 Woods Chapel Road, Lees Summit, Mo. Classes are conducted each Monday evening from 7:00-9:00PM for 6 weeks. Enjoy the fun with other club members and non club members tying flies. If you are a beginner wanting to learn how to tie your own flies or a more advanced fly tier and need help to tie a certain fly, come and join us. MTFA will help you learn how to use all the different tools of fly tying. For more information contact Merrill Miller at: merrilgofish@aol.com or call (816-673-9863) We look forward to seeing you .

President's Message

Lunker Dinner

It's a new year and much news to talk about. First of all we are trying something new for the Lunker Dinner. If you didn't read about it on the first page go back and check it out.

MTFA Website

The other big thing going on this month is the newly redesigned and current website for MTFA in Kansas City www.mtfa-kansascity.org. Our Vice-president and Troutline editor, Gary Davisson, commissioned Mike Sarno to provide the technical and design assistance to totally redesign our website. Mike has done an outstanding service to MTFA. Gary has also provide up-to-date content so that things like the club calendar for 2019 is online. This is still a work in progress and there may be times when the site is temporarily down but if that happens, just try it again a little later. Kudos to Mike and Gary.

MTFA State Derby

This year the MTFA Spring Derby at Bennett Spring is May 18 & 19th. Our chapter is the host organization for this event. We will be doing registrations Friday night (May 17th) and Saturday morning. Registering tagged fish through-out the event, providing a meal at the state-wide MTFA annual meeting Saturday evening, awarding derby prizes and after the derby prizes have concluded, conducting a raffle to benefit MTFA . I am asking as many of you who can, to participate and fish in this derby. I am also asking for volunteers to help conduct the events I've listed above.

I will be chairing the MTFA State council meeting on March 9th where the State Board approves the events that take place.

David

Spicy Chili Garlic Grilled Trout

6 PERSONS

Ingredients

2 1/2 pounds (1.1 kg) trout fillet, about one inch thick at the thickest portion

1 1/2 tablespoons olive oil

4 garlic cloves, minced

2 teaspoon brown sugar

1 teaspoon crushed red pepper flakes

1/2 teaspoon kosher salt

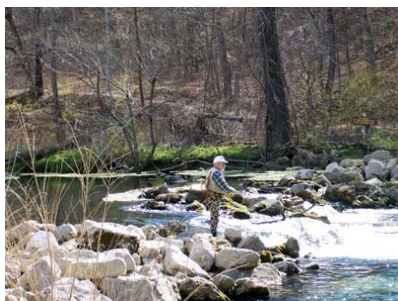

1/2 teaspoon black pepper

Directions

Preheat the grill to medium high heat, you want to be cooking at a temperature of 400-450 degrees F. Place the trout fillet, skin side down, on a foil grilling pan. If you don't have one you could also use a double layer of tin foil. In a small bowl, whisk together the olive oil, garlic, brown sugar, red pepper flakes, salt and pepper. Spread the mixture all over the trout fillet, coating the entire top of the fish. Place the foil pan on the grill and close the lid. Grill the trout for 20-25 minutes, or until it flakes easily with a fork at the thickest portion.

Bennett Springs (Catch & Release Season) - MTFA Winter Club Outing Feb 9th.

We have a winter outing this weekend at Bennett Spring Feb 9th. The forecast is sunny and 39 degrees and the fish are biting. If you are new to fly fishing and need some help we will be there to help you. I'll be serving hot Chili for lunch (12-1) at a picnic table in zone 1 near the restrooms in that zone.

Members of Project Healing Waters are also going and will be traveling by caravan from the commuter parking lot at Hi-way 50 & 7. They will be leaving at 6 am. I plan to be there. We'll go east from there on Hi-way 50 with a planned stop at McDonalds in Sedalia. See you on the water. *David*

Mentoring Helps Get Beginning Rod Building Competitors Off to a Good Start

Our Greater Kansas City Program wasted no time in getting started with the 2019 Rod Building Competition. Rod building kits arrived in January and have been distributed to participants.

Rod building sessions have been scheduled for 6:30 p.m. every Monday through Feb. 18 at Fleming Hall. More sessions will be added if necessary.

We have our largest group of first-year rod builders participating in this year's competition. We are also blessed with a talented group of experienced volunteers and participants to serve as mentors.

Participants will compete in three categories: Beginners, building their first rod; Intermediate, building their second or third rod; and Advanced, having built three or more rods. Rods must be completed

Experienced rod builders share their experience by mentoring participants who are new to the craft as the annual PHWFF rod building competition gets underway.

by April 12 and received for judging by April 19.

Winners, to be announced by May 3, will attend the International Custom Rod Builders Exposition in Winston-Salem, NC, in February of 2020. The 1st, 2nd, and 3rd Place

Winners of each category will also participate in a two-day fishing outing in the Great Smoky Mountains, immediately following the conclusion of the Exposition.

Regular monthly fly tying sessions will continue at Rainbow Fly Shop (above) and Fleming Hall, in addition to the rod building sessions on Mondays.
